THE WALPOLE

Like those classes that have gone before them, the Class of '83 is different from all the rest because of its unique spirit, a spirit that breathes life into a class of individuals, and for three brief years emerges as a single life.

But there is something other than spirit that marks the Class of '83—and that is heart—a caring, continual rhythm that keeps the spirit alive—that throbs with life—that keeps pace with the work and play of the spirit of this body of students. For the Class of '83 may the beat go always on . . .

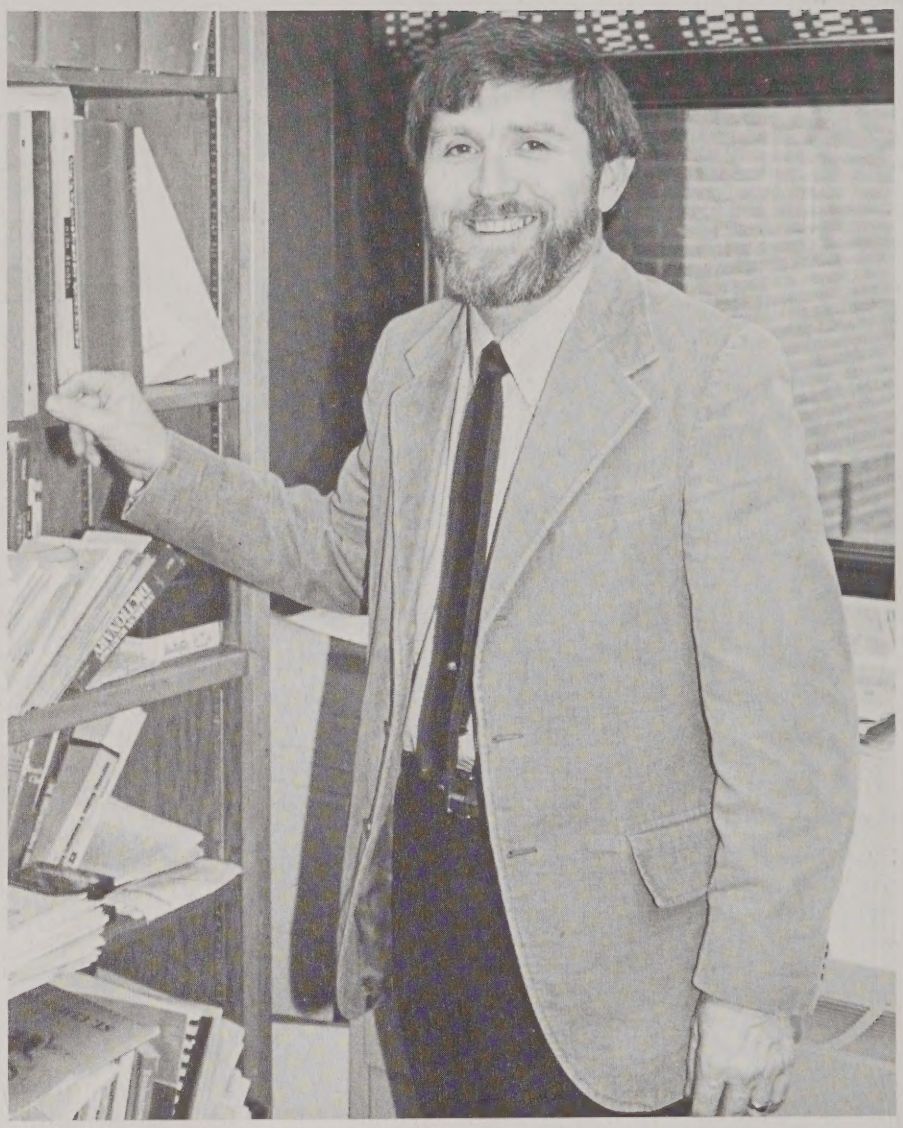
ACADEMICS

ADMINISTRATION

Principal Lester H. Burch



As the Class of 1983 approached its graduation day, REBEL staff members Barbara Piasecki and Robert Sanborn talked with Principal Lester H. Burch about the current school year and its senior class . . .

Mr. Burch continues to be proud of the school spirit at Walpole High School, sensing that enthusiasm ran high for a variety of activities this year. Much talent was evident in the senior class as shown by the accomplishments of individuals who provided strong leadership for the underclassmen.

The Principal's greatest disappointment was the cancellation of the annual Class Play due to poor attendance at rehearsals. He feels that, "It would have unified the seniors and given them the opportunity to work together." Mr. Bruch was pleased that the seniors produced the Christmas Assembly and looked upon Kids' Day as one of the high points of senior class group achievements.

"Academically, our school compares most favorably with other area high schools," said Mr. Burch. "We have hard working students and a dedicated teaching staff."

Looking toward the future, he foresees an increase in the use of computers and Cable TV as instructional tools. "Even now, our computer courses show a heavy increase in numbers," he added. "As the student population gradually decreases according to enrollment projections rather than eliminate and/or reduce offerings, this high school administration will continually seek alternative methods of maintaining a strong curriculum. Our goal will always be to offer the *best* education for all Walpole High School students. *They will not be short-changed."*

Working for a new Superintendent of Schools, Dr. Donald Burgess, administrators and secretaries guided Walpole High School through another successful academic year, with Plimpton School still being used for overflow classes.

GUIDANCE

Christine McCole uses the American Career Exploration System computer as Mr. Edward Turley, Head Counselor, examines her findings.

A valuable experience presented to students this year was the Visiting Speakers Program, which provided 16 guest speakers who talked about opportunities in business, engineering, advertising, medicine, and manufacturing. In addition, 30 students toured Metal Bellows as part of a Career Education shadowing program in business and engineering.

Once again the American Career Exploration System computer was available in the guidance office. This proved an invaluable tool for hundreds of students to explore possible vocational paths, college opportunities, and sources of financial aid for further education. The Regional College Night and Financial Aid and Parents Information Night were also important sources of information for those interested in pursuing education beyond high school.

The Class of 1983 enjoyed the alumni assembly where college freshmen from the Class of 1982 returned to share their experiences.

An important link between other departments of the school, the Department of Supportive Services continued to be of assistance to students with special problems. As usual, it played a major role in student conferences and special tutoring.

Shown above, right, Mr. Armand Munoz-Bennett, Walpole METCO Coordinator.

During the 1982 - 1983 school year, Walpole High School again provided a high quality integrated education as 12 black students traveled by bus from Boston each day to become part of its student body. In order to meet the requirements of the METCO program, Walpole has a multi-cultural curriculum, affirmative action in hiring, a host family for each child, a minimum of 18 students placed in Walpole schools, and a METCO Coordinator who is expected to make the project run smoothly.

This year, as in the past 17 years, METCO students have demonstrated their excellence in academics and in several extra-curricular activities from athletics to music. The METCO program has consequently grown to be a fine cultural exchange between the two groups of students who continually show a willingness to learn from each other.

Continuing to serve students and faculty very efficiently, the Media Center offered its usual wide range of options from the printed page to audio-visual material. Always ready to help with advice and research, dedicated personnel made life easier for all.

The Data Processing Department remained as the steady processor of attendance records, grades, and scheduling. It also continued to assist the Mathematics Department in its growing computer program. Hopefully, a new computer will be purchased during 1983 to improve the present facilities.

When Dr. Arthur Hull was appointed Department Chairman following the retirement of Mrs. Doris Grindle at the end of Semester I, he stepped into shoes that had been comfortably broken in during the years between 1966 and 1977, when he served in the same post before leaving to pursue his doctorate.

The major curriculum change this year was the reduction of the three-year journalism program to a one semester elective for seniors. Although the high school no longer has a student newspaper, THE REBEL REVIEW (now in its fifth year as a monthly page in THE WALPOLE TIMES) and THE LABYRINTH (the creative writing magazine published once a year) continued to come to press as extra-curricular endeavors. Mr. Richard Schnorbus, journalism teacher, was editor of THE EDUCATORS' EXCHANGE, published under the aupices of the Superintendent's Office. Containing contributions from all Walpole schools in the system, this recent arrival proved to be a welcome and informative addition to the literary family.

In response to student requests, a program to help prepare for SAT exams was initiated after school.

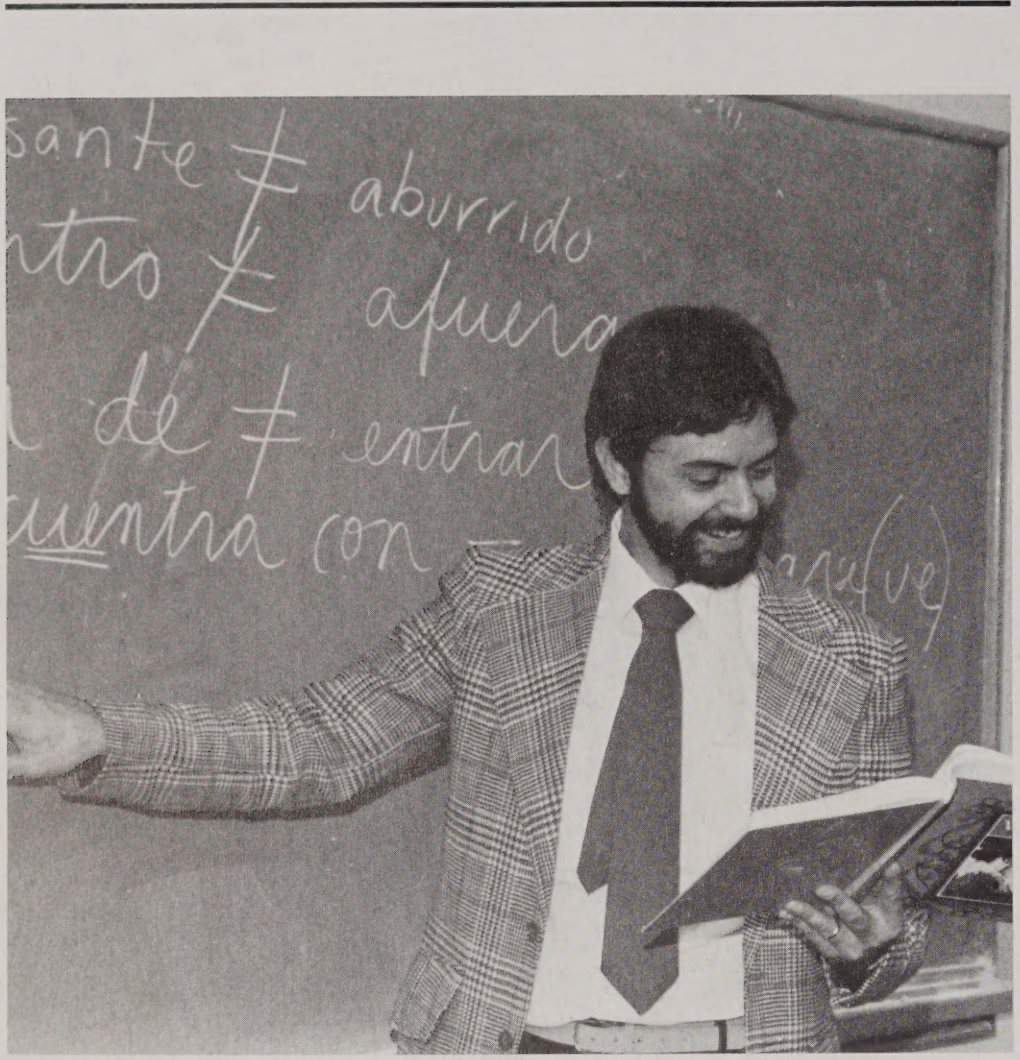
FOREIGN LANGUAGE



Mr. George Watson, Department Chairman, Spanish

The Foreign Language Department again hosted both the annual National French and Spanish Exams. Upholding a Walpole tradition of excellence, the following students were winners in their levels in Eastern Massachusetts Competition:

French -	Mark Wilson
Spanish -	Leigh Ferreria, Paul Rooney, Arthur Thomas
Latin -	Dawn Alexander, Susan Cotter, Marianne Duffy, Cari Gable, Susan Hope, Paula Mahoney, Dominique Masse, Scott Miller, Martin Odstrchel, Alice Paquette, Scott Plummer, Barbara Raker, Terrence Rooney, Cathy Saia, Mike Smith, Neil Thomas

In addition, Latin student Sean Jackson took first place in the National Junior Classical League Creative Writing Contest.

The French club again participated in the exchange program while the Spanish Club supervised its annual Christmas Bazaar. The Latin Club remained active with monthly activities ending the year with the Roman Banquet.

SCIENCE

The Science Department continued its emphasis on laboratory activity as the basis for learning in science. Experiments were highlighted by dissections of animals in biology and physiology; the ripple tank experiments in physics; and the qualitative analysis experiments in chemistry. Many of these activities were adapted or originated by teachers to insure greater effectiveness. The A.P. Chemistry was taught again. These students as well as other honors classes and seniors taking biology and chemistry were treated to a series of lectures sponsored by the Corning Medical and Scientific Division of Corning Glass Works, located in East Walpole. Oceanography classes enjoyed the annual field trips to Cape Cod to study the topography and geological foundations.

After almost five years of work, Mr. Toran's hydropower project moved closer to completion with the installation of the turbine, the wheel which is turned by the force of water to generate energy. Approximately 150 students from Mr. Toran's Environmental Science classes have worked on the project since its start in the late seventies. Industrial Arts students, under the direction of Mr. John Newbauer, have completed both the drafting and welding components of the project; electricity classes helped in the final steps. As soon as licenses are received from the state and federal government, the high school will be able to receive electricity from the Neponset River.

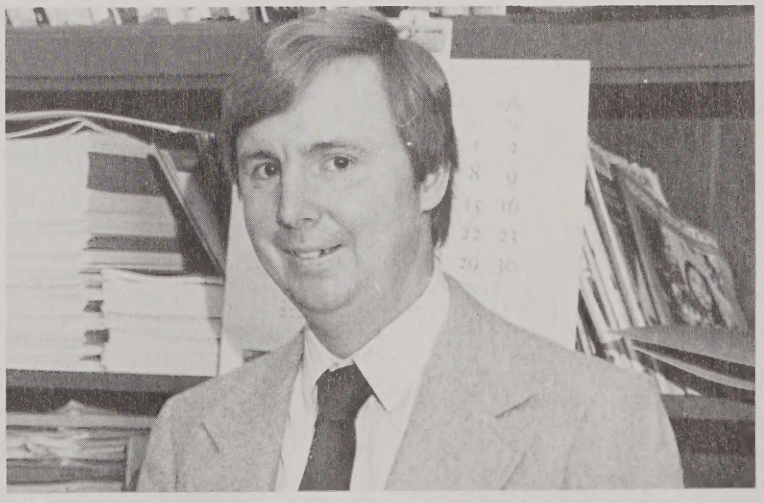
"Close Up", a week spent in Washington, D.C. in the spring, has become the highlight of the year for selected students from the Social Studies Department. Accompanied by Miss Geoghegan, they experience first hand the every day happenings of the federal government, meeting Massachusetts congressmen such as Representative Barney Frank, who greeted the Walpole High group this year. In addition, there is an opportunity to meet students from other states who are also participating in this educational event.

Other annual activities included a field trip to the Naval War College in Newport, Rhode Island, and the Model United Nations sponsored by TECH.



Mr. Thomas Morris

HOME ECONOMICS

Teaching numerous practical skills in its courses, the Home Economics Department continued to provide worthwhile activities to stimulate the wide range of interests brought to each class by enthusiastic students.

Those in the Child Development Class enjoyed the weekly lab requirement, allowing them to work directly with young children in a supervised situation at local nursery schools, elementary schools, and day care centers. A one-day nursery school was also held at the high school for the Parents Advisory Council.

Seniors Jean Bollino and Janine Boudreau, members of the Child Development Class, pose at Fisher Elementary School with two of their students.

BUSINESS

Thanks to a grant from the state Department of Education, the Business Department is now able to embark upon a new era of instruction. Eight TRS-80 microcomputers with one printer are presently at home in a special computer room, used by classes in the areas of accounting, data processing, office procedures, word processing, and secretarial studies. Software, the written material used with the machines, has also been purchased. Hopefully, another grant will be received in the near future to assure that a greater number of students will have access to the equipment.

The Co-operative Office Experience Program continues to flourish, involving local businesses who employ students in a variety of office situations. Among the participating companies this year were: Foxboro Company, Bird-Johnson, A. B. Murray Co., Factory Mutual Insurance Co., Steego Auto Parts Corporation, Roche Market, Northrop Precision Products, Pilgrim Instrument, and Boch Oldsmobile.

Many worthwhile projects were finished this year in the Industrial Arts Department. Of practical value was the new lumber storage rack erected in the woodshop. In addition, the front lobby of the school was enhanced by the unusual display case and the beautiful trophy cabinet created by Christopher Brown, both of which will grace the school for many years to come.

Other interesting projects completed in classes were as follows: Metal Shop-tool boxes; Architecture—model houses; Woodshop—grandfather clocks and jewelry boxes; Graphic Arts— printed T shirts; Electricity—assembling of radios.

Industrial Arts students also helped the Science Department with its hydroelectric project which will generate energy from the Neponset River to the high school.

MUSIC

Missy Salzberg

Excitement reigned anew as the Marching Band started off the season appearing at football games, both at home and away. It was evident that Band Camp at the end of the summer had helped instill the motivation necessary to carry the group through another successful year, ending with performances at the Memorial Day Parade, Graduation, and the Village Fair. Concerts on December 16, and March 10, and the "Spring Thing" in April at the King Philip proved the band members' versatility.

The Chorus continued to attract a sizable number of students, serving as the backbone for the select Madrigals and a new Show Choir. These smaller divisions made appearances at the United Church, Womens' Club, Pond Nursing Hime, Walpole's Pride, Metco Sunday, and League of Women Voters as well as all regularly scheduled Music Department events.

The Orchestra was again the showcase for superior talent. Senior David Sprague was selected for the prestigious Allstate Concert Orchestra, placing 5th in competition with 22 other cellists. David was also a member last year which is quite an accomplishment.

Walpole was host to the 1983 Southeastern Massachusetts Bandmasters Association (SEMSBA) Festival on March 18, 19, and 20, 1983. Students from 36 towns had previously auditioned for places in the band, orchestra, and chorus. Twenty-two musicians from Walpole High School were represented throughout the groups.

At the Berklee College of Music Jazz Ensemble Festival in April, attended by 50 bands, the Walpole High School Stage Band was rated third out of 14 entrees in Class II, receiving a "Citation of Excellence" award. Bill Meehan received a $500 scholarship for his outstanding musicianship.

Worthy of note are the inspiriing performances of seniors Missy Salzberg and Don Jennings who lent their beautiful voices and guitar playing to residents of the Wrentham State School for disabled men and women, easily communicating the message of friendship to the residents.

Bill Meehan has the right spirit!

ORGANIZATIONS

STUDENT GOVERNMENT

Student Council

The Student Council was involved in conducting Autumn Queen and King elections as well as organizing the Powder Puff Football Game, which proved to be a great success with a large turnout of players and cheerleaders. As the year progressed, the Student Council promoted SADD (the Students Against Drunk Drivers organization which spread to high schools across the state.) Other activities included assisting at the annual Red Cross Bloodmobile and sponsoring underclassmen photographs.

In undertaking the management of the school store, the Student Council realized a substantial profit which increased the annual Student Council scholarship awarded to worthy seniors.

Student Advisory Councils

THE STUDENT ADVISORY COUNCIL TO THE SCHOOL COMMITTEE holds meetings approximately once a month, and is required by law to meet with the School Committee at least every other month. Students are elected at large to represent the views and opinions of the student body and work with the School Committee on behalf of the students.

Shown above are: front row, Aimee Storin, Susan White, Cory Mann; second row, Adviser Mr. Richard Cantrell and Stephen MacKinnon.

THE STUDENT ADVISORY COUNCIL TO THE BOARD OF EDUCATORS was organized to provide an opportunity for discussion of common student concerns and educational issues on a state-wide scope.

Representing Walpole High School from our district is Timothy Bullock, show above (right) with alternate Aimee Storin (center) and Adviser Mr. Harry Graff (left).

Seniors

The Senior Class officers kept busy planning the Class Trip and preparing for Graduation by supervising the measuring for caps and gowns as well as organizing the program itself. A careful watch was kept on dues collection to insure that senior activities would avoid financial problems. One of the finest accomplishments of the Senior Class during the year was the Christmas Assembly which proved to be a great success due to the long hours of planning and eventual performance of members of the Senior Class.

Shown to the left are: Senior Class Advisers Mr. Thomas Morris and Miss Margaret Howard, President William McMullen, Vice-President Beth Verderber, Treasurer Kelly McGrath, Assistant Treasurer Kate Dumphy, Secretary Maribeth Burke.

Juniors

In an effort to help defray costs of activities plannd for this year and especially their senior year, the Class of 1984 successfully sponsored two fund-raisers — the selling of magazine subscriptions in October and carnations in February. Officers were also active in planning the most important event of the year — the Prom, which was held on May 20, 1983, at the Blue Hills Country Club in Canton.

Shown below are: Treasurer Pamela Betro, Secretary Margaret Turco, Adviser Mr. James Gable, President Leonard Cercone, and Vice-President Patricia Butters.

Sophomores

The Sophomore Class Officers worked toward achieving 100% participation of their classmates in payment of dues. Their freshmen year behind them, sophomores sought to become more active in all school events such as acting as guides on Parents Night and assisting upperclassmen with the Christmas Assembly.

Shown below are: Adviser Mrs. Delores Efthim, President Nicole Sliby, Vice-President Sandra Arthur, Treasurer Andrea Stuber, and Secretary Rena Rossi; not photographed: Adviser Miss Mary Connolly.

Freshmen

Freshmen Class Officers had the task of selecting the company to provide their class rings. Seeking to make their transition to the high school easier, freshmen joined many organizations where their enthusiasm overflowed to assure them of a warm welcome.

As proud parents and friends looked on, 30 members of the Class of 1984 were inducted into the National Honor Society during an impressive ceremony in the high school auditorium, on Monday, May 16, 1983, at 7:30 p.m. Refreshments were enjoyed in the cafeteria immediately following the program.

Due to pending reconstruction of the National Honor Society, with new rules and regulations forthcoming, there was no formal organization this year, thus the absence of elected officers. As interim adviser, Mr. Thomas Joy kept the group together, overseeing their main event, participation in the American Heart Association Phonathon on February 15 and 16.

It was another year of constant activity behind the scenes for the hard working yearbook staff, ending with the annual banquet in May where the above students received awards. The 1982 REBEL was the recepient of a second place award in the Columbia University's National Scholastic Press Association and Highest Achievement in the New England Scholastic Press Association.

DRAMA CLUB

The Walpole Players started off the school year with the perennial comedy favorite "Harvey", presented in the Walpole High School Auditorium on November 11 and 12, 1982, at 7:30 p.m., and directed by Principal Lester H. Burch. The obvious success of "Harvey" was due in part to the time veterans Lynne McCormack (Class of 1983) and Donald Reardon (a 1982 graduate) had spent during the previous summer directing workshops for the younger, inexperienced students. Playing opposite Lynne in "Harvey" was Rick Dederer as Elwood Dowd.

On January 6, 7, and 8, 1983, the drama club members presented "Take Five", a group of five one act plays. "A Visit from Mark Twain" opened the evening, with Don Reardon both directing and acting in a convincing portrayal of the famous personality. Don also directed "Express Line", which turned out to be one of the evening's favorites, shown below. Lynne McCormack lent her direction to "Balloon Shot" with David Thwing, Dave Flanagan, Tim Bullock, John Lee, Jeff Crisileo, and Tim Muldoon as actors. "Gentlemen Shoppers" with Bruce VanAlstyne, Chuck Saba, and Tripp Tyner and "File and Forget" were directed by Judy Reilly who also acted in the latter.

The spring production, starring Lynne McCormack and Tripp Tyner and directed by Mr. Burch was "Kind Lady" staged on May 26 and 27, 1983, which completed a very active year, preceded by an August, 1982 offering of "Dracula", recepient of high acclaim from its audiences.

Despite lack of a permanent, full-time drama teacher, the Walpole Players have continued to work hard under the able advice of Principal Lester H. Burch, who has managed to keep the group together. This has not only given students a worthwhile activity in which to showcase their talents, but has provided audiences with some extraordinary nights of entertainment.

On March 30, 1983, 22 students from Walpole High School left Logan Airport for France. Emotions were mixed — excitement in looking forward to living with a French family for three weeks, but anxiety in leaving behind everyone and everything so familiar and loved.

As soon as the plane touched down in France, the Americans were drawn up in the enriching experience of being emersed in a foreign culture, becoming more proficient in the language, and enjoying an abundance of historic sights.

After two weeks apart from other French Club members, during which time host families from St. Cloud, a suburb of Paris, treated them to vacations in such places as the Alps and Versailles, daily trips were made together to tour Paris. The Eiffel Tower, Champs Elysées, Arc de Triomphe, Notre Dame Cathedral, Napoleon's Tomb, and the American Embassy were a few of the places enjoyed by the group. Paris night life and those crowded sidewalk cafés were also on the agenda. Our thanks to Susan Connolly for taking pictures.

On the last day, meeting to say goodbye at the high school where they had attended classes, all looked forward to June and July when the French students would visit Walpole to enjoy the American way of life.

The annual exchange program, arranged by advisers Miss Charlotte Cole and Miss Floy Miller, again proved to a tremendous success, due to the extensive planning which involves matching up students of similiar interests, travel accommodations, and monitoring of the ongoing activities in both countries.

Meeting once a month around some classical theme, the Latin Club had another busy year, climaxed by the always successful Roman Banquet on May 17, 1983, where students dressed in Roman attire to recreate the sports and entertainments of the Romans.

The team of Kate Dumphy, Nancy Grilli, Margie Nado, Alice Paquette, Barbara Racker, and Kristen Rowe won first place overall for the evening's activities. Finishing just one point behind them was the team of Lisa Callahan, Jean Collins, Marianne Duffy, Paula Mahoney, Dominique Masse, Val McCarthy, and Paula McFarland. Turning in the best performance was the team of Kim Centamore, Christine Burns, Cari Gable, Kim Kudryk, Peter Mahoney, and Patricia Ryan. Kim Kudryk was chosen as Miss Mt. Olympus; Alice Paquette as Miss Noble Roman; and Carol Reardon as Miss Roman Slave. Peter Mahoney and Elaine Kiessling auctioned off the slaves.

Paula McFarland as Venus, Kate Dumphy as Claudius, Dominique Masse and Val McCarthy as Pyramus and Thisbe, Carol Reardon as Sisyphus, and Mary Ryan as Hercules gave winning performances in the after dinner entertainment of imitations of famous classical personalities. Also entertaining were Nancy Grilli as a provincial dancing girl, Paula McFarland as a juggler, Carol Reardon as a flute player, and Cari Gable as a dramatic poetry reader.

Other club activities included a scavenger hunt in the fall, a Saturnalia party at Christmas, a visit to Brandeis University in March for Classics Day, sponsored by the Massachusetts Junior Classical League, and a field trip to the Gardner Museum in Boston to hear a lecture on Mrs. Gardner's art work based on mythology.

Officers this year were: Consuls — Kate Dumphy and Paula McFarland; Scriba — Maribeth Burke; Quaestor — Jean Collins; Aedile — Paula Mahoney; Tribunes — Kieran O'Shaughnessy, Linda White, Mary Ryan, Margie Nado.

SPANISH CLUB

Highlight of the year for the Spanish Club was the annual Christmas Bazaar held at the high school in December. Plans progressed towards a trip to Spain during the spring of 1984, hopefully in the form of an exchange program similar to that of the French Club.

SPANISH CLUB. front row: Meg Blaney, Heidi Smith, Patricia Keefe, Josémari Irure, Michelle McMann, Lisa Carchedi, Susan Haynes, Liz Kelley; back row, Adviser Mr. George Watson, Rose Gatturna, April Metcalf, Laura Connelly, Diane Dixon, Cory Mann, Patty Verdone, Helen Hobbs, Susan Hope, Kerry McLaughlin, Angela Valente, Rita Rodiques, Liz Rosano, Adviser Mr. James Capone, Debbie Bacchieri, Leigh Ferrierra.

SKI CLUB

Although lack of snow caused cancellation of planned trips to Waterville Valley, Mount Sunapee, and Killington, the Ski Club enjoyed a day trip to Cannon Mountain, New Hampshire, as well as a week-end of skiing at Sugarloaf Mountain in Maine, where, in addition to fine skiing, the hot tub proved to be a big hit.

It is hoped that next year will bring Northern New England an abundance of heavy snowfalls to be enjoyed by all ski enthusiasts who look forward to week-ends on the slopes.

The purpose of all Leo Clubs is to promote service activities among the youth of the community and develop the individual qualities of LEADERSHIP - EXPERIENCE - and OPPORTUNITY.

The major activity of our club this year was the sponsorship of Medic-Alert Awareness Month (April) throughout the Town of Walpole. Medic-Alert is a unique, non-profit, charitable emergency medical identification system. People with hidden medical problems such as diabetes, heart conditions, and allergies are urged to wear an engraved necklace or bracelet to be assured of proper treatment in an emergency. The Walpole High School Leo Club involved town and school officials, doctors, pharmacists, police, hospital and local industry in their project.

MATH TEAM

In competition within the Southeastern Massachusetts Math League, Walpole placed 3rd out of the 6 teams in our division and 8th out of the 16 schools in the league.

High scorers for Walpole in the total of 5 meets held were: Senior Rodger Kampf, Junior Julia Bradley, and Sophomore Alice Paquette.

RADIO STATION

With the expertise of Adviser Mr. Leo McCormack, WSRB kept on the air although faculty supervision again presented a problem for the station. Fulfilling a very important function for the town, WSRB continued to broadcast Town Meetings, Selectmen's Meetings, and football games.

Bernie Coan is shown to the left as he reports for another day, providing music for the listening audience.

It's nice to begin and end a season with a megaphone in one hand and the victor's laural crown in the other and that's just what our talented cheerleaders did under the careful training of Coaches Shirley and Cindy Crown.

It all began during a week at the New England Cheerleading Association camp at Merrimack College where both the football and basketball cheering squads captured first place ribbons for being the most outstanding in their respective categories. The two squads also acquired the coveted "spirit stick" for the second consecutive summer, an award given to the group showing the most spirit, friendliness, and enthusiasm during camp.

As the season progressed, the girls received a second-place award in the annual Bay State League Cheerleading competition held in Framingham. Although it was somewhat of a disappointment to relinquish last year's first place standing to Norwood, this was the sixth trophy Walpole cheerleaders had won in seven years. In announcing her retirement at the end of the season, Coach Shirley Crown left an enviable record to follow. She will be sorely missed by all aspiring cheerleaders.

FOOTBALL

The '82 Rebels knew they had a tough act to follow, but despite giving it their best effort, they were unable to repeat as BSL or Superbowl Champs. Hampered by countless injuries to key players all season long, the Rebels still managed a successful campaign, which gave them a Bay State League second place tie with Braintree and Milton.

Playing without an injured Captain John Griffin's die hard style of play, the Rebels opened the season with a disappointing tie with Burlington. From there, the Rebels went on to soundly defeat Needham, but then they faced eventual Superbowl Champs, Natick who trounced the Rebels 38-12. After regrouping, the Rebels went on to win three straight before being upset by Milton 14-6. Included in that string of victories was the 3-0 win over rival Norwood. In that game, Captain John Griffin was awarded the Butch Songin trophy for his fine all round play. The Rebels breezed through the final three games and finished with a strong 7-2 record in the Bay State League.

The Rebels of 1982 will not be remembered by championship jackets or rings. Rather, they will be remembered as a team that had the determination, desire, and class to overcome all the injuries and misfortunes that plaqued their season. Although the entire season was a team effort, several individuals received post season awards. Heading the list was Rebel Captain John Griffin who was on the All Star lists for the BSL, *Daily Transcript,* Division 1, and *Patriot Ledger. The Boston Globe* chose him as an All-Scholastic for his superb play as an offensive back. The senior, a two-way player, who also shined at his defensive back position, shattered several Walpole High School offensive records. He was the third leading scorer in Division 1 with 18 touchdowns and one two-point conversion for 110 points. In the air, he caught 34 passes for 352 yards and two touchdowns. He also set a school record by rushing for 1094 yards, collecting 122 points. Seniors Marty Glebus and Rich Stanton were also named to the *Daily Transcript* All Star Team.

Despite losing 15 talented seniors, Coach Lee will have 20 letter winners returning in 83. Juniors quarterback Bill VonKlock and noseman Steve Alexander, both named as BSL and *Daily Transcript* All Stars, are sure to give the team a lift next season, as will Steve Mora, who did a great job as a rookie and was named as the *Daily Transcript* "Sophomore of the Year." Although the General is also losing one of his Assistant Coaches, Barry Greener, Jim Gable, Phil Bergamo, and Paul Tuccelli are expected to be in the thick of things as usual. Under the leadership of tri-captains Bill VonKlock, Steve Alexander, and Mike Fuentes, look for the Rebels to continue on their winning ways.

CROSS COUNTRY

Co-Captain Toby Miller kicks out for the final finish.

For the second year in a row, Walpole met the iron of the league — Dedham, Needham, and Wellesley within its first four contests. Although managing to defeat Needham in the first outing of the season, the next four meets were very close losses. However, the season ended on a high note with the team defeating Milton, Braintree, Framingham North, and Framingham South — a 5 - 4 record, good enough for a fourth place tie in the Bay State League.

This was the first year that Walpole sent teams to the State Coaches Invitational, the Catholic Memorial Invitational, and the state meet. In the conference meet held at Babson College, BSL All-Star Jim Connolly finished in the top ten with a time of 16.37. "Connolly ran a good race," said Coach Erker after the match. "He's been my most consistent runner all year and he did a superb job." Other Walpole runners contributing to a solid performance by the team were: Dan Plummer (17.31), John Sanford (17.43), Captain Kieran O'Shaughnessy (17.53), Scott Miller (17.57), and Dave Flanagan (17.37).

A torrential downpour marred the state meet at Franklin Park's muddy course. Walpole finished in 14th place out of 27 entries. Jim Connolly was 35th out of 200 runners at 17.15. Dan Plummer was the next harrier to cross the line for Walpole, 65th with a time of 17.43. Other Rebels finishing the race were Dan Flanagan, John Sanford, John Lee, Kieran O'Shaughnessy, and Neil Thomas.

Since Coach Erker's JV Team completed its season undefeated, he has reason to be optimistic about next year.

FIELD HOCKEY

Maura and Suzy hustling back for defense.

The '82 Field Hockey season will probably be remembered as the one in which the Porkers failed to win a fifth straight league title. That is unfortuante considering what the team accomplished: A 14-0-4 regular season record (the third consecutive undefeated season), runner-up in Division 1 South, and the first team from Walpole to ever go unscored upon in the tourney.

The regular season was highlighted by the two action-packed games played against Norwood, but neither team was able to prove its superiority and the games ended in 1-1 ties. The low point of the season was a frustrating 0-0 tie with Wellesley. By having one more tie than Norwood, the Porkers earned second place in the Bay State League — missing the championship by a single point.

The tournament, however, gave the team a chance to avenge that. After easily beating Scituate 3-0, Walpole moved on to the semifinals to battle the hated 'Stangs. Playing under the lights in Middleboro, the Porkers got their revenge with an awesome 1 - victory. Sadly enough, this thrill of victory was short-lived. In the finals for the first time, the Porkers played Dennis-Yarmouth for 80 minutes to a 0-0 score. A stroke-off resulted — but the Porkers lost the stroke-off, the game (by an official score of 1-0), and the dream of an Eastern Massachusetts Championship. After the team had been knocked out of post season play for the eighth time in as many years, said Coach Brainard, "Losing in a stroke-off is the ultimate frustration of the whole thing."

Although disappointed in the final outcome, the team had an outstanding season and many deserving individuals were honored separately. Tri-Captain Kate Dumphy was awarded the highest honor in field hockey — placement on the *Boston Globe* All Scholastic Team. Suzy Betro, Jean Collins, and Kate Dumphy were chosen as Bay State League All-Stars while the *Daily Transcript* listed Suzy Betro, Maribeth Burke (Unsung Hero), Jean Collins, Kate Dumphy (MVP), Margaret Harney, and Maura Sullivan (Sophomore of the Year) as All-Stars. The *Patriot Ledger* chose Kate Dumphy (Co-Captain) and Suzy Betro for their All-Star team. BOYS' SOCCER

Co-Captain Joe Crehan distributes ball to teammate as Jeff Bernier backs him up.

The 1982 Soccer Rebels completed a very successful season in which a school record was tied for most total points in a season (21). Although just missing a state tournament berth, the Rebels achieved many of their goals. After a slow start (0-2), the Rebels went 7-1-3 in their next eleven games with the only loss being a controversial 1-0 defeat at Wellesley. Included in this streak was Walpole's first ever soccer win in 16 years over the Braintree Wamps. The season ended with a 9-6-3 record; goals for 33, goals against 16.

This year's squad was dominated by seniors (13) who, in the three years they played, turned Walpole from doormat to a team well respected in the state's best league. The leadership and dedication shown by these young men is a phenomenal example to be followed by the underclassmen. They will be sorely missed, but their trademark of spirit and desire will always remain.

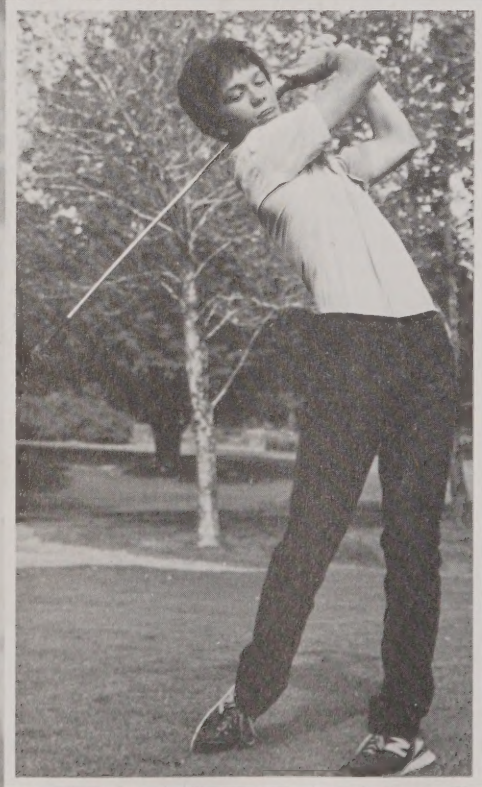
Mike Lucas drives one long and straight.



Bob Laplume tees off.

The season began with something that might be called "Lind's Lament." And who could argue with Coach Lind's refrain, "I've lost all but two of my top six golfers. It's definitely a rebuilding year. We don't have great depth and only limited experience."

Although the team did not reach the heights of 1980 (BSL Champions) or 1981 (second place in the league), they made a respectable showing with 4 - 4 record within the Bay State League. For the first time, Lind included two freshmen on the team — Jeff Rogers and Jeff Palleiko — who both turned in outstanding performances. Co-Captain Roy Ramsdell, who played consistently well all season, was named to the Bay State League All-Stars.

The team did not qualify for the spring tournament, but three golfers were sent to the State Individual Tournament on May 31, 1983, at the Easton Country Club. Jeff Crisileo scored a 94, Jeff Palleiko a 95, and Roy Ramsdell a 79. Since the cut off was 78, Roy missed qualifying for the semi-finals at New Seabury on Cape Cod by one stroke.

GIRLS' SOCCER

In just its second year as a varsity sport, the Girls' Soccer Team has managed to show improvement by a 1 - 9 - 4 finish compared to its 1 - 12 - 1 record of a year ago.

Figures sometimes fail to tell the full story—in this case, they say nothing about the casualty list that plaqued some of the key players on the team: Kristen Friedholm's fractured finger that kept her from 3 games; Maureen Baker's severly sprained ankle, and Kristen Rowe's knee injury that called for an operation and cast eliminating her from nearly half the season. Tri-Captain Sue Haynes missed the whole season because of illness.

The figures also fail to show the season's offensive and defensive improvements. "We have reduced our goals against total from 70 to 43 and improved our goals for from 5 to 9," said Coach Tompkins.

Stars have a way of emerging and lighting up even the darkest backdrop and they sparkled here. *The Daily Transcript* picked Donna McCarthy, Pam Betro, and Kristen Friedholm as All-Stars, and Friedholm (scorer of 7 of the team's 9 goals) as "Freshman of the Year". Winner of the Sportsmanship Award was Kristen Rowe; Beth Verderber was named Most Improved.

Since this was the first year a JV Team was fielded, Coach Tompkins can look forward optimistically to next year with the return of All-Star Pam Betro and Cathy Saia as Co-Captains as well as that outstanding offensive player, Kristen Friedholm.

After a year's hiatus, Volleyball returned to Walpole High School — both varsity and JV teams were fielded. Although the girls were enthusiastic, dedicated, and determined, the season ended with a 1-17 record. First year Coach Elaine Fink's revived Rebel Volleyball Squad did accumulate some individual awards, however.

Three seniors were named to the *Daily Transcript* All-Star team. Receiving double honors was Debbie Needle, who was also selected as the All-Star team's Unsung Hero. She displayed a die hard style of play and continually improved during the season, setting up many Rebel scoring opportunities. As a result, she received the Coaches Award as well. Co-Captains Elaine Kiessling and Mary Ryan were also chosen for the All-Star team. Although a rookie, Kiessling progressed into one of the team's best players. Ryan, also named to the Bay State League All-Star team, was the Rebel's leading server, thus being designated as the team's MVP.

Next year's captains are Karen Benham and Anne Menekis who hope to bring the team a few more victories.

HOCKEY

Dreams of post-season play were smashed when the Rebels were forced to forfeit their final game due to technical difficulities — an overscheduling of games. Not only did this unpleasant circumstance move the team from third to fourth place in the Bay State League, but cost Bill Meehan, the team's high scorer, first place honors in the BSL scoring race, relegating him to a third place finish. A Bay State League All-Star as well as appearing on the *Daily Transcript* and *Patriot Ledger* All-Star rosters, Bill did a sensational job all year as an offensive leader. He had 27 goals and 24 assists for a total of 51 points. In the contest against the Dedham Marauders Bill was selected as "Star of the Week" by the *Boston Globe.*

Jeff Neilsen, 7th high scorer in the league with 35 points, had 18 goals and 17 assists, and was named as BSL team alternate. BSL All-Star junior Brian McCologan, another steady skater, was named to the *Daily Transcript* All-Star team as well as invited to attend Hockey Night in Boston with Bill Meehan. Co-Captain Jeff Bernier was named to the *Daily Transcript* All-Star team; Co-Captain Tom Brady earned an alternate spot on the BSL All-Star team.

In spite of a disappointing finish, with a final record of 11-6, it would seem that Coach Kirrane, JV Coach Lee Delaney, Goalie Coach John Rockwood, Assistant Coach John Hastings, and Trainer Roy Fowler had led the team through a season that included many exciting wins. Said Coach Kirrane, "A big key to this success was the outstanding goaltending of Paul Walker." Walker played 57 periods with 346 saves, 44 goals against, 2.5 goals against average. Paul earned the Coaches Award; while Bill Meehan was MVP; Tom Brady, Best Defenseman; Unsung Hero, Jeff Neilsen; and Jeff Bernier recipient of the 7th Player Award.

As the 1983 season unfolded, Coach Sue Brainard was guardedly optimistic that her team would equal or better last year's record. For the first time, the Rebel squad had the advantage of height over many of the other teams in the league — with Nancy Cibotti, Kelly McGrath, and Amy Swansburg near the 6′ mark. As the year progressed, it was evident that this was a team of great depth, the best 12 varsity hoopsters that Walpole ever had on the roster, giving the Rebels their first opportunity to play a half court game, not relying on 2 or 3 girls to carry the team.

Excitement was no stranger to the Rebels' games, played in the most competitive league seen in recent years. Walpole found itself in three overtime situations, each time emerging as the winner — twice against Wellesley and once against Norwood. The Mustang win (58-56 in double overtime) was the highlight of the season as the Rebels had been defeated by their arch rivals earlier in the season, a loss that spoiled what would have been a perfect record, causing the team to end up with a 17-1, sharing first place in the Bay State League with Norwood. This entitled the Rebels to a berth in the tournament where they beat Rockland 35-28 in the first round of the play-off. However, the Division II South Sectional Championship again eluded the Rebels as they were felled by the mighty Tigers of Easton's Oliver Ames High School. Summing up the season, Coach Brainard commented, "We played strong on the boards and on defense. All the kids could play defense. They were all good athletes and had lots of initiative." She has every reason to look forward to next year's challenge as the JV Team under Coach Penny Calf posted a flawless 18-0 record. As to be expected, several individuals from this team received awards.

Captain Suzy Betro, only starting senior on the team, the key to the team's passing, always playing good defense, a good all round competitive athlete, was selected for *The Daily Transcript* All-Stars and the Harry Agganis All Star award. Junior Nancy Cibotti collected a team-high of 192 points and 188 rebounds. Outstanding throughout the season, she subsequently was named to the All Star teams of the Bay State League, *Daily Transcript* (Co-MVP), and *Patriot Ledger* as well as the second team of the *Boston Globe* Scholastic, one of the Globe's "Stars of the Week" for her performance against Norwood, and her own team's MVP. Also a junior, Amy Swamsburg was the other Bay State League All Star and a *Daily Transcript* All-Star. Second only to Cibotti with 164 points and 150 rebounds, she was an agressive player with an excellent leap. Versatile sophomore Maura Sullivan, the fourth starter, was named as a *Daily Transcript* All-Star. Other team awards went to Kelly McGrath - Unsung Hero, Simone Sliby - Most Improved, and Kate Dumphy - Coaches Award.

WRESTLING

The Rebel varsity wrestling squad ended their Bay State League season with a 6-3 mark, earning them the fourth position in the league behind Norwood (9-0), Dedham (8-1), and Needham (7-2).

In post-season action, the grapplers sent nine Rebels to the Division II South Sectional Tournament, with four combatants qualifying for the state tournament by placing fourth in their respective weight classes — Co-Captain Rick MacDonald (4th), BSL All-Star Bob O'Handley (3rd), senior Mike Buckman (3rd), and junior Mike Smith (4th). BSL All-Star heavyweight Bob Moore also did well by placing 5th. Although the Walpole contingent provided some exciting moments in the Division II State Tournament, they were all eventually eliminated from competition. Coach Barry Greener was pleased as he looked back over his winning season, noticing that many reliable wrestlers had done well for the team. Commenting on individuals, he said, "Rick MacDonald was 12-2-1 and he faced iron all season long; Bob O'Handley was 10-4, wrestling some of the best 128 and 124 pounders in the state; Buckman lost only two matches; Piccirilli was 8-4, Connors 6-6; Moore was outstanding, undefeated in the league." "Mike Smith and Rusty McLauchlan were a pleasant surprise and two of the reasons we did better than we thought we would," concluded Greener.

The year ended on a happy note with Bob O'Handley and Bob Moore picked as Bay State League All-Stars.

Janice's Arc of Triumphe.

Senior Tri-Captains Andrea D'Amadio, Ruth Harwood, and Dara Slagle led a predominantly underclassmen team through a super gymnastics season in spite of an overdose of injuries. Slagle herself was an early victim when she injured her knee upon landing following a vault and was sidelined for the remainder of the season. Freshman Jill Russell, a strong all-around performer, also missed most of the action because of a dislocated elbow while freshman stand-out Corrine Eldridge missed competition because of a sprained ankle. Others attended meets with jammed fingers, twisted knees, etc.

In spite of these complications, Coach Terri Thorton's team chalked up a 7-2 BSL season while setting many individual and team records along the way. The 1983 squad not only tied for second place in the BSL, but took third place in the Eastern Massachusetts South Sectional Tournament, the highest tournament finish ever for a Walpole team, with a score of 122.65. "It was a once in a lifetime meet for this team," an elated Coach Thornton said. "Everybody did just about the best they could do."

The Rebels placed two members on the BSL All-Star team, which was earned in competition. Tri-Captain Andrea D'Amadio captured eighth place for all-around performers; freshman Kim Lestan placed sixth in the all-around category, eighth in the vault, and tied for sixth on the balance beam. For the first time, two Walpole girls qualified for the State Individual Tourney in one year — Kim Lestan and Corrine Eldridge. Lestan not only placed ninth in the state in vaulting, but set new school records — Bars (8.45) and vaulting (8.8).

BOYS' BASKETBALL VARSITY. Front row: Tim Brooks, Scott Collins, Co-Captain Rich Bruno, Co-Captain Barry Sanborn, Alan Fish, Mark Langmead; second row: Coach Dick Sizer, Chris Brown, Paul Clerici, Martin Odstrchel, Peter Brown, Jim Black.

At the end of a very satisfying season, Coach Dick Sizer reflected, "This year's team started the spark that will put the flame into the Walpole basketball program." Sizer is proud of the fact that the Rebel five are no longer looked upon as the doormat of the league. "I don't think there are any teams in the Bay State League that come in here and think they can waltz away with an easy win in basketball anymore. That's the first step in getting to be a winning team." Sizer, in his second year at the helm, has a right to be proud of his team's less than .500 record, the third best at Walpole High School in the past 20 years.

A sixth place finish in the league is actually deceiving as there were many close games played — eight games lost by eight points and four games by four points. The one point loss to Braintree early in the season hurt. All accounted for the team dipping below the .500 mark.

Sizer, along with Assistant Coach Dan Whitham and JV Coach Bill Tompkins, agrees that senior forwards Scott Collins (second high team scorer with 224 points and 109 rebounds) and Alan Fish (204 points and a team high of 124 rebounds) as well as senior guard Co-Captain Rich Bruno who controlled the boards while leading his defense through some tough contests will be hard to replace. Bruno was also an offensive force, netting 105 points for his team. Another senior, Co-Captain Barry Sanborn, often came off the bench to help in clutch situations, collecting 58 points and 35 rebounds.

Forming the nucleus for maintaining the momentum into next season will be junior Rebel guard Mark Langmead who led his team in scoring (336 points), took second place in the Bay State League race, and was named to the BSL All-Star team as well as the *Dedham Transcript* All-Scholastic Team.

Scott Collins brings down another rebound.

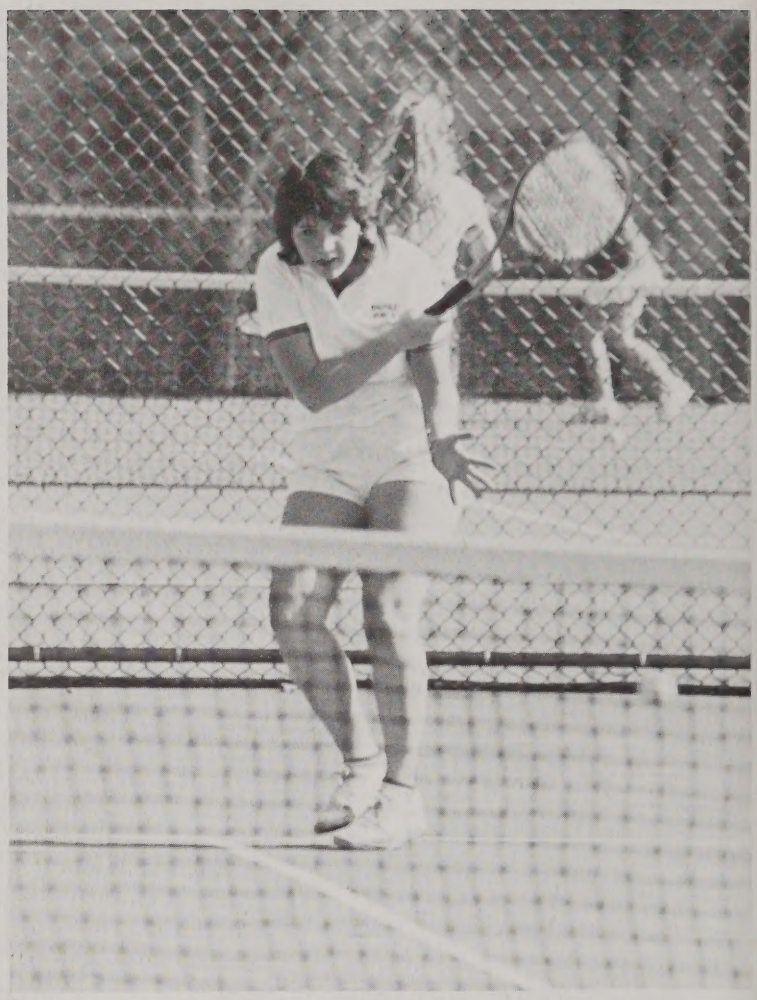
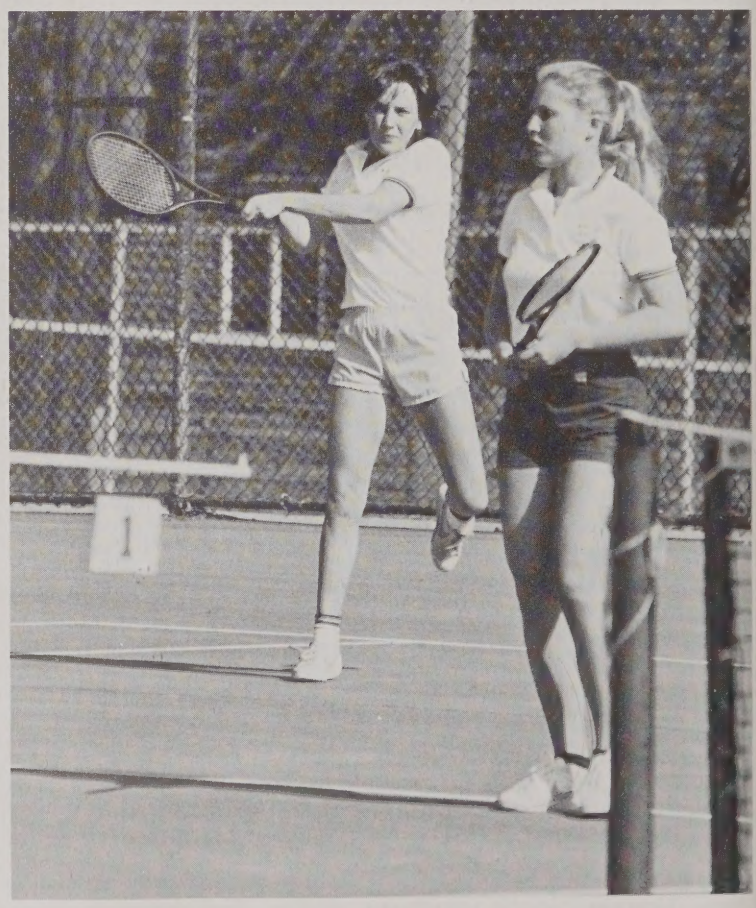
GIRLS' TENNIS

Captain Paula McFarland blasts another backhand.



Lisa Famiglietti drops one over the net.



Beth Verderber drives one deep as Simone Sliby guards the net.

This season's record is the best in the school's history — 17-1 with the Rebels winning 78 of 90 individual matches, shutting out 11 of the opponents they faced. Only two doubles matches were lost all year. "It is the best girls' team that probably has ever played here," said Coach Tony Greene. "There are a lot of superlatives I could use."

Although Walpole tied for first place in the Bay State League, individuals did not fare so well in post-season competition. Simone Sliby and Beth Verderber lost in the semi-finals of the South District Tournament; and Susan Walsh and Beth Keeling lost in the Eastern Massachusetts Tourney.

Singles players Paula McFarland and Lisa Famiglietti were named as BSL All-Stars; Paula, Lisa, Simone, and Beth were named as *Daily Transcript* All-Stars.

Since the JV team was undefeated, Coach Tony Green has every reason to be optimistic about next year.

Though they lost to the Randolph Devils 9-6 in the opening game of the Eastern Massachusetts Tournament, it was the first time since 1959 that the Rebels even qualified for that tourney, ending the year with a 15-3 BSL record. Coach Tompkins said, "It was definitely a gratifying season."

Strong pitching was a major factor. Jim Connolly led the hurlers with a 7-1 record and earned run average of 2.79. The only Walpole pitcher besides Chuck Jones (1973) to win that many games, he also pitched the BSL All-Star game against Natick, adding another win to his record. Bill Morgan was also at the top of the Bay State League in hurling, with a 5-1, registering 3 impressive saves, while batting .368 for the season. John Griffin recorded 4 wins, 1 loss, and 1 save. He was the team's MVP with a .372 average, and was awesome in the outfield as well, performing for his third year in the starting line up. A real plus for the pitchers was Jeff Bernier behind the plate.

The Rebels also boasted one of the strongest infields in the league. Team Unsung Hero, Jim Black, handled the duties at second base, one of the best players that the Rebels have ever had at this position. Junior Bill VonKlock was consistently solid at shortstop all year, batting .382. One of 7 players batting over .300, Rich Stanton did a great job in the outfield as well. According to Tompkins, "We had a lot of guys who were role players. Rich Barsomian did a fine defensive job at first. Joe Crehan was outstanding defensively in the outfield. Alan Fish was a powerhitter. These three were not starters, but they each made important contributions. Without them we couldn't have been as strong depth-wise. They understood their roles and accepted them." Picked as BSL All-Stars were: Bill Morgan, John Griffin, and Jim Connolly. Jeff Bernier was a BSL playing All Star.

GIRLS' TRACK

Captain Mary Ryan throws a shot put.

Although certain individuals on Coach Elaine Fink's team did well this year, helping towards the 5-4 league record, she commented, "I look at the score sheets and it's not just the first place finishers, but the second and third place finishers that really help. The other thing that has helped is the strong showing of the two relay teams — the 440 team (Ruth Harwood, Jull Nuzzolo, Barbara Ferrara, and Kim Lestan) and the mile relay (with various members during the season)."

Outstanding meets were the jamborees at Braintree (where the Rebels defeated Framingham South 98-29, swept six of the 15 running events, won one of the two relays, and placed first in all but two of the field events) and Wellesley (where Maureen Baker set a new school record in the shotput with 39′ and placed second in the 200, third in the 100; while Amy Swanburg took second place in the 880 with a record-breaking 2:34.4 and was part of Walpole's winning mile relay team).

At the Bay State Conference Meet, competing in a driving rain and stiff winds, Kim Lestan placed first in the 100 yard dash; Maureen Baker second in the shotput and third in the 220; Lynn Eldridge placed third and Ruth Harwood fourth in the 100 meter hurdles; Amy Swansburg fifth in the 880; Lynne MacKinnon fifth in the javelin; and the relay team of Harwood, Nuzzolo, Eldridge, and Leston, third. In the state meet Kim Lestan came in fifth in and Barbara Ferrera sixth in the javelin.

Many school records were broken this year by Kim Lestan, Maureen Baker, Lynne Eldridge, Amy Swansburg, Dara Slagle, and Donna McCarthy. Chosen as MVP was Co-Captain Maureen Baker; the Coaches Award went to Ruth Harwood; Most Improved, Valerie McCormack.

Over the past few seasons Coach Tom Morris has watched his teams' standings inch just a little higher in the quest for a respectable place in the Bay State League. Last year, for the first time, the team broke their anticipated no-win record by winning 4 out of 18 games. That sparked a glint of hope that was fulfilled this season with 7 wins and 11 losses.

Doubles players had a better showing than singles performances. Coach Tom Morris confessed, "I honestly didn't think that we would be doing so well. What has saved us is that the doubles teams have come along as fast as they have. We have a shot to win both doubles matches and that really helps. We put a great deal of effort into the doubles and now I'm glad we did." That comment was made halfway through the season when the team stood at .500 in the Bay State League after the win over Dedham which brought the team to 7 wins and 7 losses.

The final accounting of 7-11 tied the 1976 team's record which was the best ever at Walpole High School.

Offensively the Rebels were in championship form pelting out 14 homeruns to set a new record and topping last year's team batting average — .324 against a 1982 average of .262. According to Coach Penny Calf, "... seven out of the nine starters batted over .300. That's unbelievable."

With these statistics why didn't the team qualify for any post-season games as they did last year? Defense: errors for the team increased from 48 in 1982 to 87 this season. Calf lamented, "Defensively, of the starters, the fewest errors made was four. Last year Suzy Betro didn't make one." Suzy, the only member of the team to be chosen a BSL All-Star, led the team in hits (30) and finished with a .441 batting average that included 23 RBI's for the year. Other heavys were catcher Nancy Cole with a .394 batting average, leading her team with runs scored (27); Paula Burns with a .361 batting average and Jean Collins, top RBI hitter with an impressive 24.

The record 14 homeruns were belted out by Debbie Needle (5), Burns, (3), Betro (2) and Collins (2). First baseman Kelly McGrath earned the team's highest defensive average (.954) with Nancy Cole right up there with .949. On the mound Lisa Smith gave a strong performance, earning the title of second best pitcher in the BSL. She earned a 12-5 record while pitching 122 out of 129 innings on the year. The Rebel junior gave up only 46 earned runs for an overall average of 2.52. Team awards included: Suzy Betro - MVP; Nancy Cole - Unsung Hero; Kelly McGrath - Best Defensive Player; Lisa Smith - Most Improved.

Coach Jim Erker's team posted the best Walpole record since the Bay State League was formed 25 years ago in 1958 — a 3-5-1. Top scorers were Rusty McLauchan, 94 points (100, 220, long jump); Bob Moore, 64 points (shot put, discus); Dave Grasso, 44 points (javelin, shot put); Ed MacKillop, 43¼ points (100, 220, long jump, triple jump); Dan Plummer 39½ points (880, mile relay), John Sanford, 30 points (2 mile).

In the Bay State League Conference, Bob Moore placed first in the discus (137′4″) and fourth in the shot put (48′3″); Rusty McLauchlan third in the 100 yard dash (10.5 seconds) and fifth in the long jump (18′5″); Ed MacKillop third in the 220 dash (23.7 seconds); Dan Plummer third in the 880 run (2:01); Dave Grasso third in the Javelin (163′1″); Bruce VanAlstyne fifth in the triple jump (39′1½″).

Ten athletes competed in the state meet in which Walpole won two medals — Bob Moore, third place, shot put (50′5″); and Dave Gtasso, fourth place, javeline, (173′2″).

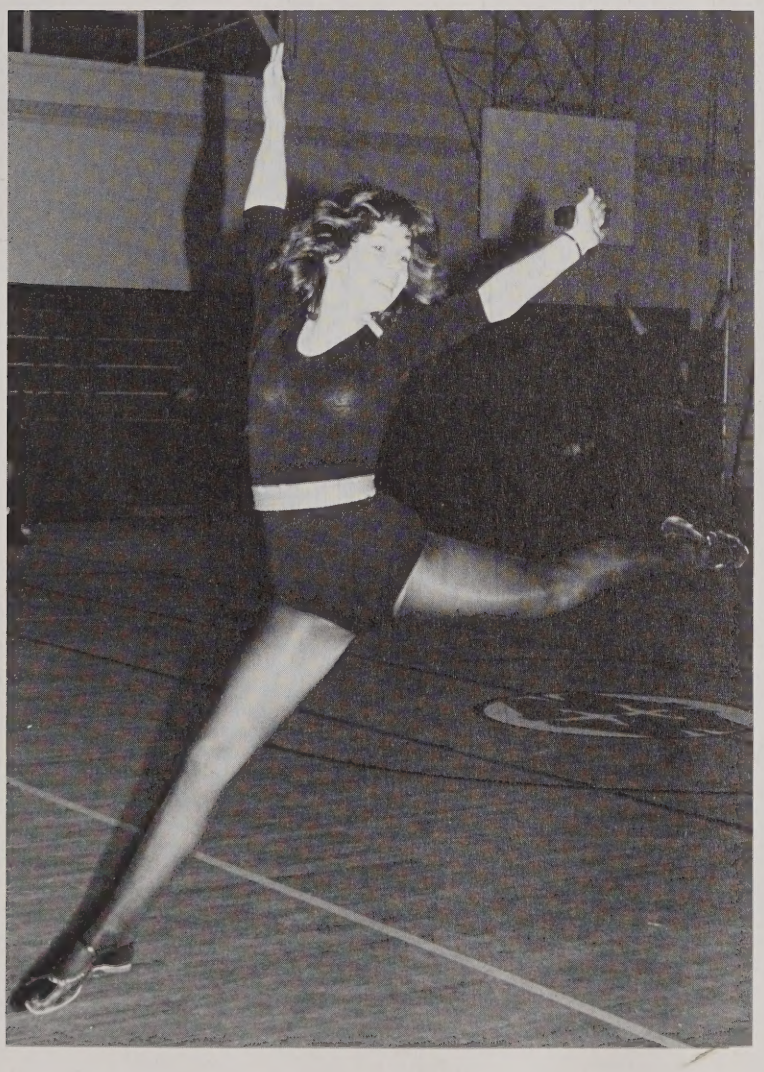
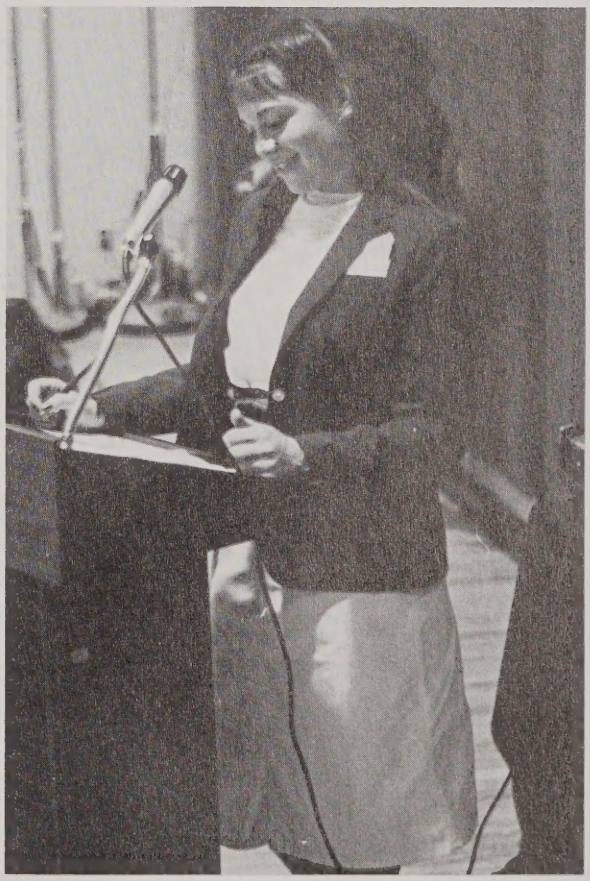
Above, Ricky MacDonald demonstrates the necessary strength and agility; above right, Lori Barnes proves that the show must go on; right, the popular tableaux thrills the crowd.

The faculty of the Physical Education Department, with Gymnastic Coach Terri Thornton as Manager, again organized an outstanding Gymnaestrada. The overflow audiences were amazed at the skills of students who gave such remarkable performances both nights, Wednesday, March 30 and Thursday, March 31, 1983.

Parallel bars, rings, high bar, balance beam, horizontal and uneven bars were all evident in this super display of talent. Working closely together, the result of many hours of practice during a span of eight weeks, gymnasts also created pyramids, tableaux, and dances to keep the spectators entertained.





Above, top, one of the most exciting moments, a treat to see; left, Debbie McInerney shows her enthusiasm by dancing; above bottom, Senior Andrea McCabe, Mistress of Ceremonies, announces the next act.

Prom Queen

As the theme song "Truly" by Lionel Richie floated through the air, nearly 400 prom goers spent a pleasurable evening at the Blue Hills Country Club on Friday, May 20, 1983.

A delicious roast beef dinner was followed by dancing to the music of the John Lowbridge Band. Climax of the event was the crowning of Lynn McCormack as Prom Queen with Kristen Verbeck, Beth Verderber, Stacy Gendreau, and Tracy Nixon as members of her court.

Souvenirs — brandy sniffers and beer mugs — will serve as reminders of this happy occasion.

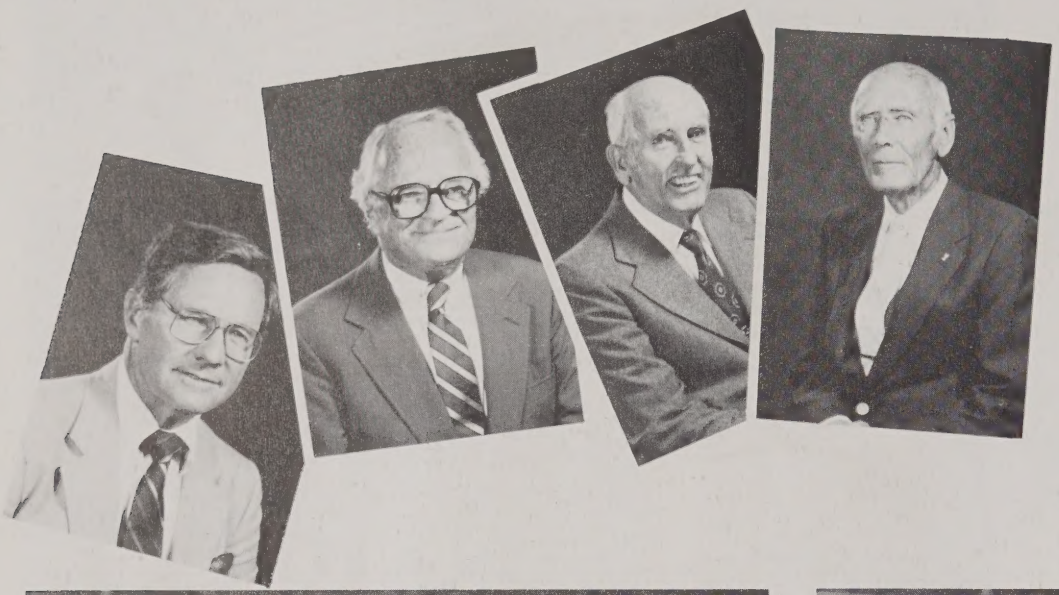
HALL OF FAME

During graduation ceremonies on June 7, 1983, six graduates of Walpole High School were inducted into the Hall of Fame. Four received bronze medallions from Dr. Dorothy Kunde, member of the School Committee (shown below).



To the left are: George Nilson, Class of 1942; Robert B. Harkness, Class of 1930; Herbert E. Kunde, Class of 1929, and Robert M. Graney, Class of 1927. Honored posthumously were:

Paul Penza - Military Service, Class of 1929. As a crewmember aboard the U.S.S. Bunker Hill during World War II, during a 4-hour fire caused by Japanese suicide planes, he pushed injured shipmates out of portholes as well as helping to fight fires on the flight deck and the ready room below. He was awarded the Silver Star Medal for Meritorious Action.

William Schrieter - Humanitarian, Class of 1934. Considered a national leader in the social work profession, at the time of his death in 1972, he was Chairman of the Eastern Regional Child Welfare League of American Conference with 3,600 in attendance. A published authority in residential treatment, he had previously managed Philadelphia's psychiatric residential treatment service, Southern Home, which under his leadership and foresight grew from a 50-bed residential center to serve 400 emotionally disturbed children and their families.

George Nilson - Science/Health. He is presently executive director of the Maine Lung Association and a part-time consultant to the Bingham Program which is dedicated to the prevention and control of lung disease. Previous responsibilities include: organizing the federally mandated Maine Regional Medical Programs for Heart Disease, Cancer, and Stroke; Field Director for the Massachusetts Medical Society; and Assistant to the Dean of Harvard's School of Mental Medicine.

Robert B. Harkness - Business. Semi-retired since 1972, he served as president and later Chairman of the Board of a company he helped organize — Adams, Harkness, & Hill, an investment banking business. He was also a consultant to cities and states, nationwide lecturer on public power financing, Treasurer and Co-Chairman of the Education Committee of the Municipal Board Club of Boston, and a member of the Board of Govenors of the Securities Industry Association of the U.S. and Canada.

Herbert E. Kunde - Government. Before retiring, he was employed by the Federal Civil Defense Administration, U.S. Department of Defense, and the United Nations in supervisory roles. During World War II, he served overseas with the American Red Cross, being appointed European Deputy Commissioner in 1945. He later was Director of International Social Service.

Robert M. Graney - Education. President of his graduating class, he was appointed to teach in Walpole in 1933, the beginning of an illustrious association which spanned 39 years to include the principalship of New Stone School and coach of three Bay State League Championship Hockey Teams, with one state title. Coach Graney's players went on to achieve many honors in athletics — two pursued professional careers, two became successful college coaches, and two made the 1952 U.S. Olympic Hockey Team.

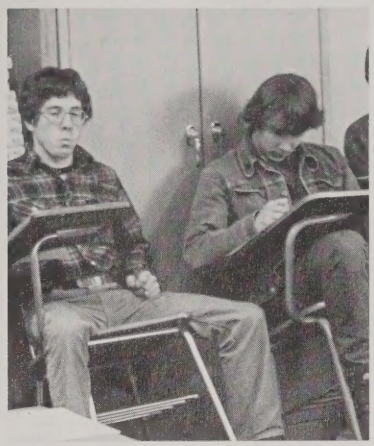
SLEEPY HOLLOW



"Senioritis" symptoms were clearly recognized around the first of January when the pace of once eager sophomores slowed to the cadence of drowsy and often bleary-eyed seniors. There are exceptions, of course, but long before graduation, eyes began to slowly shut, substituting the world of dreams for the world of reality.

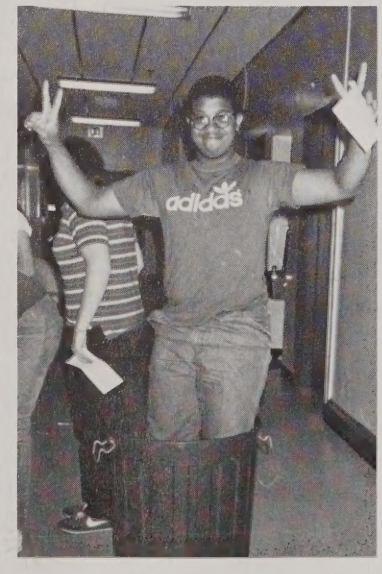
DUMPSTER DAY FOR UNDERCLASSMEN

It was a "Blue Monday" in June, two days before final exams, as underclassmen left their homerooms to face the grim assignment of cleaning out their overstuffed lockers. Plastic barrels proved inadequate to accomodate the "fallout" which had to be periodically transferred to the dumpster out back in frenzied shifts.

One week later another "Blue Monday" struck when, without warning, custodians emptied rooms of their furniture and faculty following the seventh period exam, which ended at 9:20 a.m., and during the two hour makeup exam period which began at 9:30 a.m. The reason given for the blitz was that the rug cleaners were on their way —— they arrived in July!



Upper left: On behalf of the health department, Mr. Coviello okays a locker for next year's tenant. Upper right: Paula Casey considers the merits of holding a yard sale. Middle left: Mike DeRosa and Lynne Geehan check inventory on their own Paperama. GRADUATION

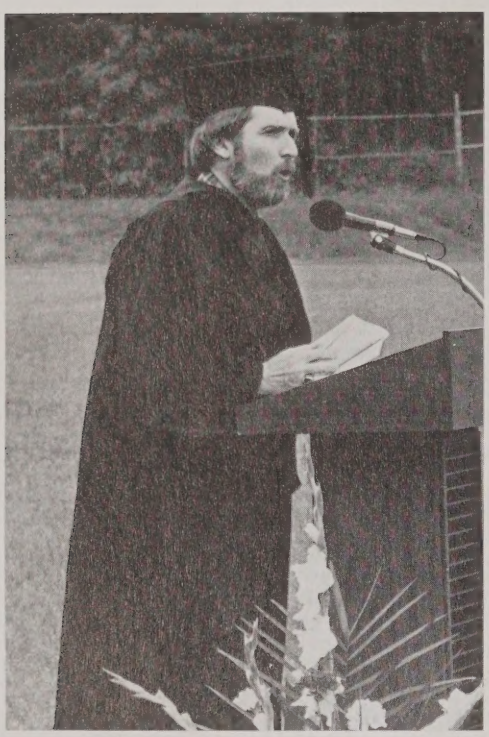
"The Memories Stay in Our Hearts, The Future Lies in Our Hands."

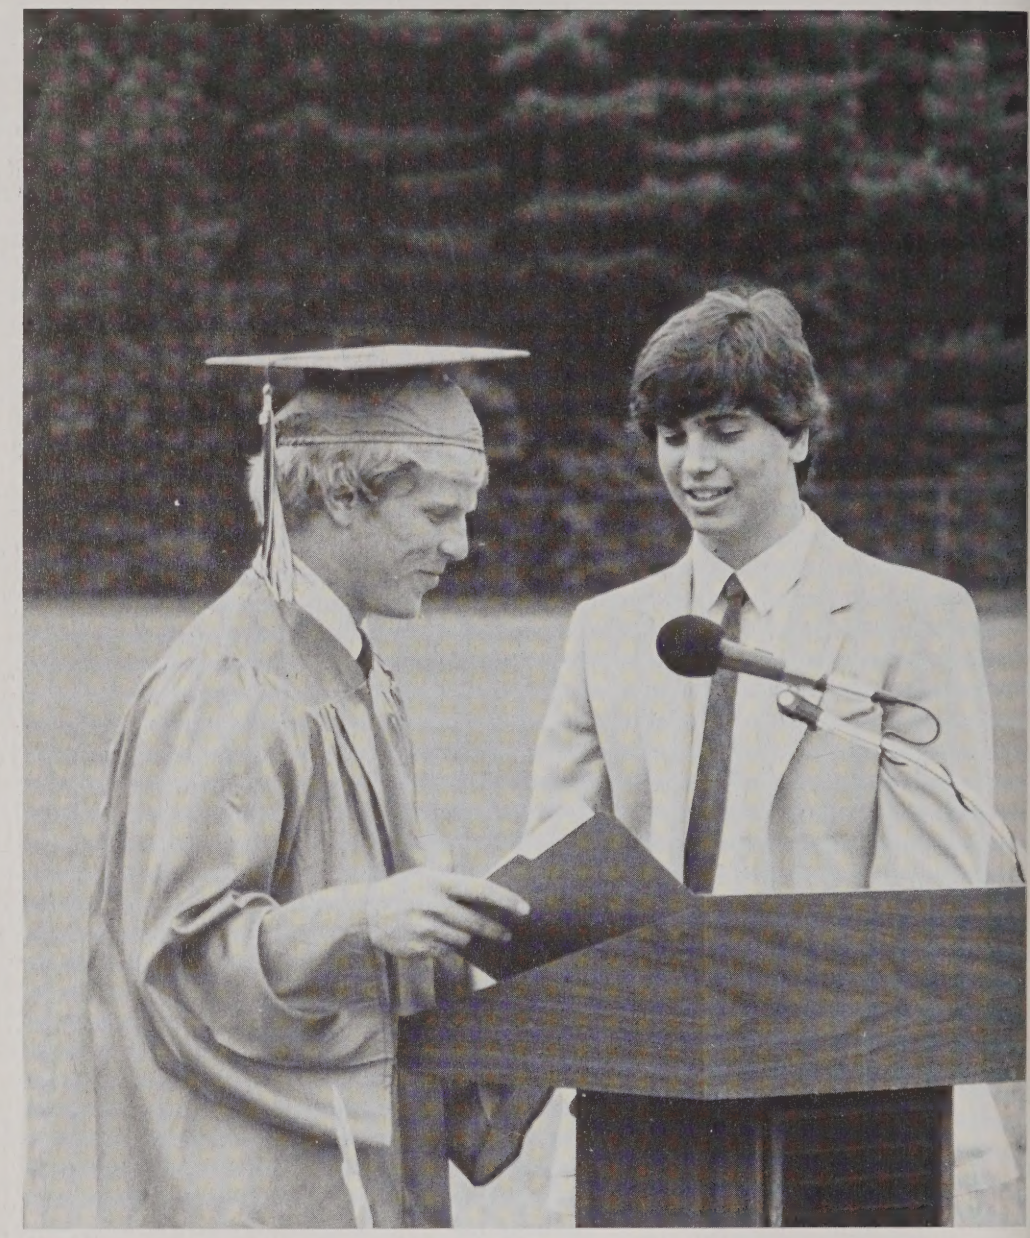


Principal Lester H. Burch

Filmy soap bubbles floating up from a mist of blue and white caps and gowns sparkled in the sun as the Walpole High School Band under the leadership of Music Director Gaston Malloy played "Tomorrow." Motarboards became miniature billboards braodcasting individual mottos like: "Free in 83", "Class of 83", "This is It", and "Kaput."

Amidst this happy scene, the graduation ceremony honoring the 295 members of the Class of 1983 unfolded as Class President William McMullen presented the Class Gift to Leonard Cercone, Junior Class President. Valedictorian Rodger Kampf spoke of the challenge of the future while Salutatorian Kristen Verbeck emphasized that programming for the future was an individual responsibility. Scholarships, awards, and diplomas were distributed to worthy recipients. Hall of Famers were inducted for the first time during a graduation ceremony as the four living inductees received their medallions from School Committee Member Dr. Dorothea Kunde.

And then, like the fragile soap bubbles that burst and disappeared, the motto, the speeches, the caps and gowns became a vaporous memory.



William McMullen, Senior Class President, presents the Class of 1983's gift to Junior Class President, Leonard Cercone.
